NAVY DECLASSIFICATION/RELEASE INSTRUCTIONS ON
FILE

Dear Mr. Baird:

As in the past, the Curriculum of the U.S. Naval Intelligence School, Postgraduate Division, includes in the course on Observation, a period set aside for a presentation entitled "Sketching".

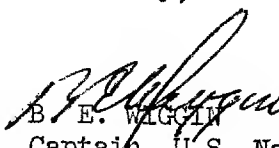

It would be greatly appreciated if a member of your staff could be made available this year to present the material on sketching to the forty-eight naval officer students. The desired date for the presentation is 18 October 1960 from 1230-1530. [REDACTED] has given the previous presentations which have been extremely well received and evoked considerable interest.

Should this request receive favorable consideration, details may be arranged with LCDR J. J. PAVELLE, Jr., USN, the coordinator of this matter for the School. He may be contacted on Code 1215, Extension 458.

Each student officer has a Top Secret security clearance.

Sincerely,

B. E. WIGGIN
Captain, U.S. Navy
Director
